MEMORANDUM FOR: 25X1A [REDACTED] DPD-DD/P

SUBJECT : Trip Report to Eastman Kodak 12 February 1959

THROUGH : [REDACTED] DPD-DD/P 25X1A

REFERENCE : Memorandum for DD/P, dated 17 February 1959,
same subject (GUS-0132)

This is simply to note that I have read with interest the referenced report of your trip to Eastman Kodak and I fully concur in all three recommendations in paragraph 6. I have been and will continue to try to persuade Dr. Land to set an early date for a meeting of the Advisory Committee. Although the first meeting of that committee will not include representatives of the three camera manufacturers from whom informal proposals have been solicited (Itek, Fairchild and P&E) I propose that we do include a representative from Eastman Kodak (probably Mr. [REDACTED] with a clear understanding that we are not going to consider them as possible suppliers of cameras.
